

Please make an immediate inquiry into Sinclair Broadcasting, in particular, into its broadcast of a mendacious and partisan show shortly before the presidential election.

Sinclair Broadcasting has the obligation by law to serve the public interest. Broadcasting a one-sided inflammatory show, recklessly misrepresenting the facts about a presidential candidate utterly fails this duty.

Please note how the domination of the airwaves by large companies brutalizes the access to free and open debate we need for our democracy.

Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. They show why the license renewal process needs to involve more than a returned postcard.

Most importantly, let Sinclair know that you are inquiring into this show in light of its legal duties as a broadcaster. Please do so immediately so that Sinclair has the greatest amount of time possible to reconsider its decision
